Career summary

In July 2006, Tony was appointed Chief Executive Officer of the five-terminal Heathrow Airport - BAA's biggest business unit. He was previously Managing Director, Heathrow Airport and Managing Director of the Terminal 5 programme. Prior to these roles, Tony was Group Technical Director with responsibility for leading the company's technical functions, including development, design, group supply chain, construction, and maintenance of new and improved airport facilities. He is a member of the Executive Committee and appointed to the Board in 2006.

Before joining BAA, Tony was a Director of Kenwood plc, responsible for group manufacturing and logistics in the UK, China and Italy. He has held a number of senior management positions in the aircraft manufacturing business within BAe's regional aircraft division, culminating with his role as Product Process Director. In 1996, he was named a Hanson Trust/*Sunday Telegraph*/Spencer Stuart 'Manager of the Year'.
